

Sight Word List

The children in kindergarten are expected to learn the words on the Parkland Sight Word List.

The list includes the following words:

I
see
a
my
like
to
and
go
is
here
for
have
said
the
play
she
he
are

To practice these words with your child you may use one of the activities below:

1. Write the words on index cards and play memory.
2. Play word hunt by finding the words in stories you read.
3. Use magnetic letters to practice spelling the words.
4. Write sentences using the sight words.

5. Read the poem of the week and highlight the words from the sight word list.

If your child can consistently read words on the Parkland Word List, he/she may practice the following word list. Please remember that reading books is the most effective way to practice sight words.
